## Bookshelf

(RMP) regulations of the U.S. Environmental Protection Agency. These topics are further explored in Chapter 9.

In summary, Sutton's book provides a very good introduction to the subject of PHA. Most of the material covered in it accurately describes my own experience obtained during numerous PHA sessions. His book contains sufficient information to provide any chemical engineer, an operating company, engineering contractor or consulting firm with an excellent basic understanding of the subject. □

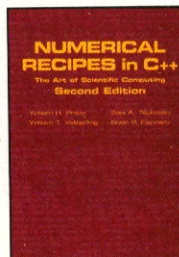

**Value Stream Management for the Lean Office.** By Don Tapping and Tom Shuker. Productivity Press, 444 Park Ave. South, Suite 604, New York, NY 10016. Web: [productivityinc.com](http://productivityinc.com). 2003. 171 pages. \$45.
